This map is a guide to the routes that will be travelled towards Quw'utsun territory, by canoe families honoring the invitation from the Quw'utsun people for Tribal Journeys 2008 - Paddle to Quw'utsun. The routes are coloured to represent the four directions:

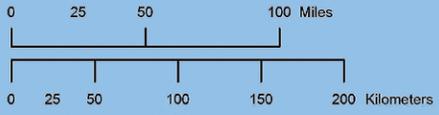

— north — east — south — west

Dates shown are landing dates. Please do not rely on this map as an accurate itinerary as weather and other unforeseen circumstances can alter the dates.

Many nations and people are participating in this event that celebrates our people and our culture. Where possible we have shown canoe family home communities on the map, or else they have been acknowledged in the text box on the map. We raise our hands to all our relations who are participating in the journey.

We are honoured to be part of the Canoe Journey map legacy that has been handed down to us from Ann Stark, GIS manager, Lummi Nation. We are grateful to many people who have contributed to the creation of this map and wish to acknowledge Simulete' (Stuart Pagaduan) for the logo, Peter Luckham and Dale Letourneau for graphic support and the Tribal Journey Working Group for making this event a reality.
