Three classes of licenses may be issued to persons associated with Tribal gaming activities:

A. Class A License. A Class A license is required for:

2. A Class II or III Gaming Operation employee, and a supplier, manufacturer or distributor of any goods or services to a Gaming Facility;

The completed license application (which will be a Personal History Statement or Business Disclosure Form, as applicable) shall be used by the TGA to conduct, or cause to be conducted, a background investigation to determine if such person/entity has:

- (a) Any criminal record, including violent crimes against a person, or any reputation, prior activities, habits or associations which might pose a threat to the public interest or to the effective regulation of gaming; and
- (b) Anything else in their background which might create or enhance the dangers of unsuitable, unfair, or illegal practices and methods and activities in the conduct of gaming;

B. Class B License. Persons who are not among those identified in subsection A. (1), above, but are to be employed at a Gaming Facility on Tribal Lands in some other capacity, such as in non-gaming related activities, shall be required to obtain a Class B license from the TGA. Such persons must establish that they have not been convicted of a crime, or engaged in any activity which would render such person a danger to the safety or integrity of the gaming activity or the safety or property of the Tribe, a Tribal member, a gaming operation employee or patron, or a member of the public;

C. Class C License. Minors employed at a gaming facility on Tribal Lands may be issued a Class C license, which will entitle them to work in any position for which a Class B license is required for adults and not otherwise prohibited by this Title or other applicable law. Each Class C license shall be valid for no more than one (1) year at a time and shall be revoked upon the minor's reaching the age of eighteen (18), at which time either a Class A or B license, as applicable, will be required. A. On or before the date any Key Employee or Primary Management Official is employed by a Gaming Enterprise authorized under this Title, the TGA shall forward to the NIGC the person's completed Personal History Statement;

B. Prior to issuing a license to a Primary Management Official or Key Employee, the TGA shall forward to the NIGC, together with a copy of the eligibility determination made under this section, an investigative report on each background investigation. The investigative report on each background investigation shall be forwarded to the NIGC within sixty (60) days after the employee begins work. The Gaming Enterprise shall not employ or continue to employ any person as a Key Employee or Primary Management Official who does not have a license within ninety (90) days of beginning work, unless the delay in the issuance of such license is the fault of the NIGC, in which case the ninety (90) period may be extended by the TGA for an additional ninety (90) days;

The investigative report shall include the following information:

1. Steps taken in conducting a background investigation;
2. Results obtained;
3. Conclusions reached; and
4. The bases for those conclusions.

C. The TGA shall provide to the NIGC, or other appropriate agency, any other reports and information required by IGRA and regulations promulgated thereunder. Further, with respect to Key Employees and Primary Management Officials, the TGA shall retain the Personal History Statements and reports (if any) of background investigations for inspection by the Chair of the NIGC or his or her designee for no less than three (3) years after the date of termination of employment; and

D. If a license is not issued to an applicant, the TGA shall notify the NIGC and may forward copies of its eligibility determination and investigative report (if any) to the NIGC for inclusion in the Indian Gaming Individuals Records System.

Section 7.27.02 Eligibility Determination

The TGA shall review the results of the background check and reputation, habits and associations to make a finding concerning the eligibility of an applicant for employment in a Gaming Operation. If the TGA determines that employment of the person poses a threat to the public interest or to the effective regulation of gaming, or creates or enhances dangers of unsuitable, unfair, or illegal practices and methods and activities in the conduct of gaming, the Tribal Gaming Enterprise shall not employ that person in a Key Employee or Primary Management Official position; and further, shall not employ the person in any other position for which a license is required, except as specifically provided by the TGA.

Section 7.27.03 Granting a Gaming License

A. If, within a thirty (30) day period after the NIGC receives a report as required under subsection C. of Section 7.27.01, above, the NIGC notifies the TGA that it has no objection to the issuance of a license

pursuant to the license application filed for a Key Employee or Primary Management Official for whom the TGA has provided an application and investigative report, the TGA may issue the license;

B. The TGA shall provide any additional information requested by the Chair of the NIGC concerning a Key Employee or Primary Management Official who is the subject of a report as required under this subsection. A NIGC request for additional information shall suspend the thirty (30) day period under this subsection above until the Chair of the NIGC receives the additional information; and

C. If, within the thirty (30) day period established under subsection (A) above, the NIGC provides a statement itemizing objections to issuance of a license to a Key Employee or Primary Management Official, the TGA shall reconsider the application, taking into account such objections. The TGA retains the right to make the final determination whether to issue the license to such applicant.

Section 7.27.04 Temporary Licenses

Pending completion of an investigation for a license, temporary licenses may be issued by the TGA if, in its sole discretion, it deems it appropriate to do so. Such licenses shall permit the licensee to engage in such activities, pursuant to such terms and conditions as specified by the TGA, in its sole discretion as are required. Such temporary licenses shall expire: ninety (90) days from date of issuance, upon issuance of a permanent license, or until an earlier specified expiration date, whichever occurs first. If the delay in the issuance of permanent license is the fault of the NIGC for not completing an investigation for a license within ninety (90) days from the time of the filing with the NIGC, the ninety (90) day period may be extended by the TGA for an additional ninety (90) days.

Section 7.27.05 License Renewal

Class B licenses, unless otherwise exempted by the TGA, shall be subject to renewal every three (3) years and may be revoked or suspended upon the occurrence of any act which, if known during the application process, would have tended to disqualify such person for such a license. Class A and Class C licenses shall be subject to renewal every year.

Section 7.27.06 License Fees

All persons applying for a license shall agree to pay all applicable license fees and costs when due, including a reasonable deposit for costs for the gathering of information and investigation in connection with the license application. Applicants may be required to pay all fees and costs incurred in obtaining information prior to beginning processing of the application. At the discretion of the Tribal Council, members of the TGA may be exempted from any license fees or costs. An estimate of such costs shall be provided to applicants upon reasonable request.

Section 7.27.07 Ethical Standards

All persons employed by or associated with any gaming activity on Tribal Lands shall conduct themselves with honesty, integrity, and with such decorum and manners as may be necessary to reflect positively on the Tribe, its members and the gaming activity involved. Any failure to abide by such standards, or any violation of any rule, Title, custom or tradition of the Tribe on the Tribal Lands, or in the gaming activity, or the terms or conditions of the license, may be grounds for immediate suspension or revocation of any license issued hereunder.

Section 7.27.08 License Determinations Appeals

All decisions of the TGA regarding the issuance of licenses shall be considered final and effective when issued, provided however, that within fifteen (15) days of receipt of the written decision disallowing issuance of a license, an applicant may file a petition for reconsideration with the TGA.

Any Tribal Member who is denied a license by the TGA may, within thirty (30) days of receiving written notice of such denial, appeal the denial to, in order, the Commission, the Tribal Council and the Tribal Court. Each of these bodies shall have the power to reverse the decision of the TGA and order that such license be issued, provided that no such license shall be issued for more than one (1) year, subject to the renewal procedures set forth herein, and provided further that no order of the Commission, Tribal Council or Tribal Court that a license be issued shall be valid if such issuance would place the TGA in violation of any the Compact, or of any applicable law.

Section 7.27.09 License Suspension

- A. If, after issuance of a gaming license, the TGA receives reliable information from the NIGC or other credible sources indicating that a Key Employee or a Primary Management Official is not qualified for employment under the eligibility criteria established in this Title, the TGA shall suspend the license and shall notify the licensee in writing of the license suspension and proposed revocation;
- B. The TGA shall notify the licensee of a time and place for a hearing on the proposed revocation of a license, at which time the affected party may testify; and
- C. After the revocation hearing, the TGA shall determine whether to revoke or to reinstate the gaming license. For actions taken in response to information provided by the NIGC, the TGA shall notify the NIGC of its decision on any revocation action.

The Tribe does not need to submit to the NIGC a notice that a facility license is under consideration for issuance for occasional charitable events lasting not more than a week.

B. Existing Facilities. Gaming Facilities in which Gaming Activities were taking place on the date this Title was adopted shall be deemed to have qualified for and be operating under such a license upon adoption of this Title.

 - (a) The Tribe has identified and enforces the environment and public health and safety laws, resolutions, codes, policies, standards or procedures applicable to its Gaming Facility;
 - (g) The Tribe is in compliance with those laws, resolutions, codes, policies, standards, or procedures, or, if not in compliance with any or all of the same, the Tribe will identify those with which it is not in compliance, and will adopt and submit its written plan for the specific action it will take, within a period not to exceed six (6) months, required for compliance. At the successful completion of such written plan, or at the expiration of the period allowed for its completion, the Tribe shall report the status thereof to the NIGC. In the event that the tribe estimates that action for compliance will exceed six (6) months, the Tribe may request an extension of the time period.
 - (c) The Tribe is ensuring that the construction and maintenance of the Gaming Facility, and the operation of that Gaming is conducted in a manner which adequately protects the environment and the public health and safety.
- (2) A document listing all laws, resolutions, codes, policies, standards or procedures identified by the Tribe as applicable to its Gaming Facilities, other than Federal laws, in the following areas:
