Honoring Our Veterans

On Saturday, November 11, Tribal Veterans held a gathering at the Jamestown S'Klallam Veteran's Memorial in Blyn to honor those who served or who are currently serving in the armed forces. The memorial on the shores of Sequim Bay was completed in 2017 and shows

the Tribe's continued commitment, dedication, and support for those who have served. American Indians and Alaska Natives have one of the highest representations in the armed forces. Jamestown is incredibly proud of all our S'Klallam Veterans, a big THANK YOU for your sacrifice. For more information on Tribal Veterans programs or to get involved, contact Al Fletcher, Tribal Veteran Representative.

Washington State Public Health Association Recognizes Jamestown Public Health Officer Dr. Locke

Congratulations to Dr. Thomas Locke on receiving the Public Health Leadership Award at the 2023 Annual Conference! This award recognizes leadership competence and demonstration in the areas of public health advocacy, research, education, and/or equity and social justice. Dr. Locke was nominated by the Jamestown S'Klallam Tribal Elders.

For over 30 years, Dr. Locke has provided exceptional professional counsel to the leaders, staff, and citizens of the Jamestown S'Klallam Tribe. His dedication to improving the health of the community is evident in his words and his actions. He spent many years of his career working to create Tribal/County/State Public Health partnerships knowing that not only would it bring great benefit to both the Tribal and non-Tribal

Happy Holidays and Reflections

A Message From Chairman W. Ron Allen (Allen Family)

Greetings Tribal Citizens and Happy Holidays!!!

This is the time when we enjoy our families and friends and reflect over the past year. 2023 has been our first full year coming out of the COVID-19 pandemic and returning to a more normal lifestyle. As always Jamestown and 7 Cedars put up our annual Christmas lights in Blyn and our Tribal properties around Sequim for all to enjoy. This year our Dungeness River Center made lighting up the property a grand event attended by over 1000 people. Winter can be a dark time and we have felt displaying Christmas lights is worth it as they light up the spirits of our community and help celebrate going into the New Year!

As we reflect over the last year and more, we have many reasons to be thankful for the many blessings we have received. Last year we built our new pavilion at the Jamestown Village. Meanwhile, we completed the renovation of our North Tribal campus administration and community center including a new playground. One of our exciting projects that will be completed this month is our new Library/ Exhibit Space that will be a state-of-the-art facility. We are targeting the Grand Opening for January 20th.

As I have always mentioned in the past, the success of our Tribe is relative to our business revenues which help us to bridge the gap of resources to meet the challenging needs of our community and future generations. The 7 Cedars properties continue to be successful with on-going upgrades to all the properties, e.g. new games like the sports betting and new electronic table games and upgrades to the Cedars at Dungeness Golf Course irrigation system.

Our EDA operations continue with their successes, including the growth of Jamestown Excavating, and the newly established Jamestown Surveying and Jamestown Concrete. Jamestown Property Management continues their planning of the expansion of the Sequim Trading Post and housing project for affordable homes.

And on the housing front, we have purchased and renovated a couple of houses for our Tribal Citizens and made good progress in identifying the potential design of an Elder housing center.

On the natural resource front, we completed an amazing expansion of the flood plains and spawning ground on the Dungeness River both at the Dungeness River Nature Center site and down at the Dungeness community site where we removed a levy and built a new one in collaboration with the County. Recently we received a \$25 million grant to do the same thing at the Quilcene River including a new 1000-foot bridge for both the safety of the community and expanding flood plains for that river. A big shout out to Hansi Hals and Randy Johnson for their leadership on those projects. And I'm assuming most have noticed the upgrades of the culvert replacement on Hwy 101 opening up miles of spawning grounds.

After careful consideration, we have made the decision to move the current Culture & Traditional Foods Programs out of SCS, and into a newly created Culture Department. With this new change, we can give the deserved attention to these programs that have been needed, as well as meet the evolving needs and interests of our citizens and descendants within these programs. Loni Greninger will continue to oversee Cultural Programs and serve as the new Cultural Director.

These are just a few of the many successes that come to mind over the past year for which we must be thankful. Jamestown is very blessed with an amazing staff to plan and accomplish these successes.

(Continued on page 3)

Next year, we will continue these efforts including the beginning of the construction of our 16-bed inpatient crisis center to compliment the new Healing Clinic. We have received \$26 million from the State for this project. We are expecting to break ground on our new expanded Dental Clinic on 5th Avenue next to the Jamestown Health Clinic. We currently serve over 6000 patients and expect to double that number in the new, larger facility.

So, 2023 has been busy, but good for Jamestown and it is looking like 2024 will continue our success and growth of all our operations.

I want to express Holiday blessings to each and every one of our Tribal Citizens and families and a very Happy New Year!!!

Remember if you have questions, please don't hesitate to reach out to me either at rallen@jamestowntribe.org or my cell phone (206) 369-6699.

God Bless, Ron

communities, but also recognizing that it would someday be essential in the management of a public health emergency. Dr. Locke's foresight led to a seamless joining of forces between the Jamestown Tribe, the County, and the local Community Response Teams to tackle COVID-19 testing, contact tracing and vaccination. His expertise guided the Tribal Council through the Pandemic with confidence and a clear understanding of the virus and how to deal with it in our Tribal community, governmental operations, and our businesses. His amazing calm demeanor helped our community cope with a demanding situation but still have hope that we would prevail through the three-year pandemic. He has been the calm and logical voice in a sea of conflicting information that surrounded the Pandemic. We are forever grateful for his dedication to the health of our community and for the friendship we have enjoyed with him over many years.

Please join us in celebrating Dr. Locke for this well-deserved achievement!

Announcement: New Culture Department is Formed!

mán' ʔuʔ ʔáy' skwáči (A very good day) to Our Tribal Citizens & Descendants,

After careful consideration and analysis of our current structure within the Social & Community Services Department (SCS), Tribal Leadership has made the decision to move the current Culture & Traditional Foods Programs out of SCS and into a newly created Culture Department.

The primary goals of this reorganization are to increase the attention to SCS and Cultural Programs that they deserve and enhance collaborations between departments. With these goals in mind, we are better positioned to meet the evolving needs of our citizens and descendants regarding these programs.

Loni Greninger (Prince Family) will move out of her role as SCS Director and continue to oversee the Cultural Programs as the new Culture Director. She is excited to spend more concentrated time with the community and continue developing programs and staff, helping with events and ceremonies, and building up rising leaders to become our next knowledge keepers in the many aspects of our culture. Loni can be reached at lgreninger@jamestowntribe.org or 360-681-4660.

Dustin Brenske will move from the SCS Deputy Director to the SCS Director. She comes to the position with over 31 years of experience in working with, and caring for, tribal communities in clinical and community settings. 24 of those years include employment here at Jamestown in hospitality, clinical, and administrative roles. She looks forward to developing the citizens and descendants in SCS positions for future growth, and supporting tribal values being the foundation of all SCS programs. At this time, we will not rehire a SCS Deputy Director but rather continue to strengthen the current management positions within SCS. Dustin can be reached at dbrenske@jamestowntribe.org or 360-681-4612.

This transition is effective on December 1st, 2023. As we move forward with this plan, we will continue to communicate with our community accordingly.

We look forward to the growth and collaboration of both departments!

Liz and David Mueller Celebrate 50 Years!

David and Liz Mueller celebrated their 50th anniversary with the renewal of vows at their home where they were married. At the time of their wedding, Liz's parents lived in the family farm house her grandfather Charles Fitzgerald Sr. built in 1905.

The couple's daughters, Vicki Wallner, Cindy Brandt, and Roni Fox planned a wonderful dinner with four generations of family and dear friends at Seven Cedar's hotel. Congratulations Liz and David!!

Tribal Elder Helps Keep Others Warm with Handmade Hats

By Loni Greninger (Prince Family)

Tribal Elder Judy Shaw (Patsey Family) has been providing Jamestown Social & Community Services with handmade knitted hats for the past couple of years. Each year, Judy and her friends make hats to be donated to our Youth & Teen Programs. When asked why she wanted to make the hats, Judy says, "I'm just so honored and blessed by how my Tribe is so giving to me and my family, my sister, Marlene Shaw, and my mother, Helen (Patsey) Shaw."

We say, "mán' st ʔuʔ háʔnəŋ (thank you very much) to you, Judy, for giving back and serving our youth and families in this special way. It is easy to see that each hat is made with love!

yəhúməct Traditional Foods Program

Jamestown's Traditional Foods staff, Lisa, Mackenzie and Emma were all invited to attend the 2023 NW Tribal Food Sovereignty Coalition Gathering hosted by the Coeur d'Alene Tribe on October 25th. Jamestown's Traditional Foods is a WEAVE grant recipient through NW Portland Area Indian Health Board. WEAVE funds Jamestown's Community Wellness and Shellfish Gardens which many tribal citizens & families have helped grow.

Mackenzie and Emma attended break-out sessions on various topics including food preservation, seed sharing and medicine making, while Lisa was co-presenter on a break-out session focused on freeze drying traditional foods. They were also able to visit a wapato gathering site where they sampled fried wapato and visited the Coeur d'Alene Tribe's eagle aviary.

It was a wonderful opportunity to gather with like minded people representing tribes throughout Washington, Idaho and Oregon to share preservation, harvesting, medicine making and food sovereignty ideas and stories.

To make the event even better, Mackenzie's Apple Hazelnut Galette received Grand Place, and the other five items Jamestown entered in the food fair contest received 1st or 2nd place!

Mackenzie's Grand Place recipe for Apple Hazelnut Galette and 1st place Smoked Salmon Nettle Puff recipes are included for your enjoyment. The hard smoked canned salmon and canned smoked clams were handed out at the Tribe's 1st Foods Ceremony in November. Congratulations Traditional Foods Team!

Our monthly Gather & Cook has been put on hold until after the holidays. See you in the new year!

Smoked Salmon Nettle Puffs

Ingredients

- 2 puff pastry sheets, thawed (thaw according to instructions on back packaging)
- 8 ounces cream cheese
- 6-8 ounces smoked salmon, roughly choopped
- 1 cup blanched, diced and squeezed nettle leaves
- 1 tablespoon fresh dill, diced, plus more for garnish

Instructions

- Preheat oven to 400 °F
- Lay the 2 puff pastry sheets, thawed out flat. Cut each into 16 inch squares.
- Press the squares into the sections of a mini muffin tin. I used a pestle to help press the pastry down into the cups. You will only be using 24 of the pieces since most standard mini muffin tins have 24 sections. Set aside.
- In a medium sized bowl, add 8 ounces cream cheese, softened, 6-8 ounces smoked salmon, rough chopped, one cup blanched, diced and squeezed nettle leaves, and 1 Tablespoon fresh dill.
- Stir together until well combined.
- Place a small dollop of the cream cheese salmon nettle filling into the each puff pastry divot. I put the filling into a Ziplock back and cut the corner to pipe the filling into the divots.
- Bake for 12-15 minutes until golden brown and the cream cheese starts to brown slightly. Let cool for 5 minutes in the tin.
- Place on a serving plater, garnish with dill and enjoy!

Apple, Hazelnut & Huckleberry Galette

Ingredients

For the pastry

- ½ cup hazelnuts
- 2 Tablespoons powdered sugar
- 1 ¾ cups all purpose flour plus extra for rolling out pastry
- 10 Tablespoons butter, cold
- 1 teaspoon salt
- 1-2 Tablespoons water, cold
- 1 egg, beaten

For the filling

- ¼ cup light brown sugar, plus extra for sprinkling
- ½ lemon, zested and juiced
- 1 Tablespoon cornstarch
- 1 Tablespoon maple syrup
- 4 large apples, cored and thinly sliced
- 1 cup huckleberries
- ¼ cup hazelnuts, roughly chopped
- Whipping cream to serve

Instructions

Making the Pastry

- Combine ½ cup hazelnuts and 2 Tablespoons powdered sugar in a food processor and blend until finely chopped.
- Add 1 ¾ cup all purpose flour, 10 Tablespoons butter and 1 teaspoon salt, and blend again until all of the butter has been incorporated and the mixture is sandy.
- With the motor running, drizzle in 1-2 tbsps cold water until the dough starts to form in clumps. Squeeze a little between your fingers – if it feels like it will come together, tip the mixture onto your work surface and knead briefly into a ball.
- Shape into a disc, wrap in plastic wrap and chill for 30 mins or overnight.
- If the pastry has been chilled for longer than 30 mins, let it come to room temperature for 20 mins before rolling.

Making the Filling

- Mix ¼ cup brown sugar, ½ lemon, zest and juice, 1 Tablespoon cornstarch, and 1 Tablespoon maple syrup together in a large bowl.

(Continued on page 10)

- Add 4 large apples cored and thinly sliced, and 1 cup huckleberries and toss well. Set aside while you roll out the pastry.

Assembling the Gillet

- Preheat oven to 350°F
- Dust a sheet of baking parchment large enough to line a large baking tray with flour.
- Roll the pastry out into 2 roughly 12 inch circles on top of the parchment. The pastry will crack and crumble a little as you roll it, but just keep pushing the edges back together – don't worry if it looks rustic.
- Slide the pastry on its parchment onto the baking tray. Pile the filling into the center of the pastry circle using your hands, letting any excess syrup drip back into the bowl as you do (save the syrup for later). Be sure to leave a clear 2cm border around the edge.
- Use the baking parchment to help you lift the edges of the pastry over the apples, leaving the most of the apples exposed. Pinch together any cracks around the edge to make a rustic pastry border.
- Brush the pastry edge with 1 beaten egg, sprinkle with a little extra brown sugar and scatter ¼ cup hazelnuts over the top.

Baking and Preparing the Gillet

- Bake for 50-55 mins until golden brown.
- Meanwhile, pour any leftover syrup from the apples into a small saucepan and bubble for a few minutes until syrupy.
- When the galette is cooked and still hot, brush the syrup over the top.
- Leave to cool for at least 30 mins, then serve warm with cold whipping cream.
- Will keep in the fridge for up to two days, or freeze in well-wrapped slices for up to two months.

Elder Program Changes

We are delighted to announce that Crystal Chavez has been promoted to the position of Elder Program Coordinator. In this new role, Crystal will oversee and manage the daily operations of both the Elder Program staff and its activities. We feel incredibly fortunate to have someone of Crystal's caliber on our team and are thrilled about her taking on this expanded responsibility within our Tribe. Congratulations, Crystal! We deeply appreciate all your contributions so far and eagerly look forward to the continued impact you'll make.

River Center's Holiday Bridge Lighting

Provided by the Dungeness River Nature Center

We had a spectacular turnout at the Holiday Bridge Lighting!

Over a thousand people showed up for the countdown to turn on the lights. A singalong of Holiday songs was led by members of the Sequim High School choir. Hurricane Coffee served seasonal hot drinks in the Center's atrium.

Thank you to everyone involved!!

Holiday lights will be on from 3 p.m. until 9 p.m. each night through early January provided by the Jamestown S'Klallam Tribe.

Holiday Craft Fair Starts Holiday Season

When does the Holiday Season officially start? Here at the Jamestown S'Klallam Tribe, it begins with our annual Holiday Craft Fair! This year's event sparked the spirit of giving more than ever thanks to the coordination of Tribal Citizen Jorene Dick (Chubby/Dick Families). Jorene's hard-work made this event successful and joyous for the community! More than 40 Native and Non-Native vendors were present, which provided a large variety of hand-made and custom products to choose from. To reserve a table at next year's Holiday Craft Fair, contact Jorene Dick at jdick@jamestowntribe.org.

JFHC Attends Information Fair

Saturday, November 4, 2023 JFHC attended the Clallam County Fire District 3 and Community Emergency Response Team (CERT)'s Safety and Information Fair, at Carrie Blake Park in the Guy Cole Center.

The primary objective of this event was to foster a strong sense of community preparedness. By bringing together a diverse range of public and non-profit organizations, the aim was to enhance public understanding of their roles, plans, and the resources they offer during times of crisis. Each participating group contributed a unique skill set and expertise that is crucial in supporting our community's needs during challenging situations.

Around 35 exhibit spots filled inside the Guy Cole Building, and there was also static displays outside, including a "Touch a Truck" exhibit by CCFD3 and other emergency vehicles include the Life Flight Helicopter. Additionally, breakout sessions were hosted with guest speakers covering various community safety topics.

Brent Simcosky, Shelly Tweter, Kim Cristion, RN, Abi Brown, CMA and Kathy Pavlak represented the JST Health Department at the event.

On Tuesday, October 31, the Children's Program held their annual Halloween Party, with an additional treat in store! The little super heroes, pirates, unicorns and other spooky characters were united with Tribal Elders, also in costume, to go trick-or-treating on the South and North Tribal Campuses, carve pumpkins, enjoy fun decorative activities, and share a meal together. What's a better treat than having a good time with your Tribal Elders and receiving candy? The Halloween Party is one of the favorite events for the Children's Program and included over 25 children this year!

Thank you to the Children's Program, Elders Services and the Social and Community Services Department for making this event a memorable thrill!

nəxʷsłáyəm' Connections to the San Juan Islands

Allie Taylor, Tribal Historic Preservation Officer

The San Juan Islands fall within the traditional use area of many federally recognized tribes, Canadian First Nations, and non-federally recognized tribes. In this presentation we will review anthropologic, ethnographic, linguistic, and historic references that document the connection between the nəxʷsłáyəm' (S'Klallam/Klallam) people and the San Juan Islands.

Two Films: Seasoned with Spirit

2 p.m., Thursday, December 8

At the Dungeness River Nature Center

Seasoned with Spirit: Bounty of the River's Edge

Native American chef Loretta Barret Oden travels to the Yurok Reservation on the banks of the Klamath River on California's Pacific Coast where they harvest salmon, shellfish, seaweed, acorns and edible wild greens. She learns how to prepare alderwood-smoked salmon, dried surf fish and eels as well as sturgeon egg bread.

Seasoned with Spirit: Return of the Buffalo

Native American chef Loretta Barrett Oden travels to the buffalo range of Fred Dubray on the Cheyenne River Sioux Reservation in South Dakota to learn about the movement among tribes to bring the buffalo back to the Great Plains in order to promote cultural enhancement, spiritual revitalization, ecological restoration and economic development. Oden learns how to make traditional recipes including sun-dried bison with chokecherries, chokecherry soup and grilled bison tenderloin with a sage-chokecherry jus.

NOLS Bookmobile Visits JST!

The new North Olympic Library System(NOLS) bookmobile will be at the Jamestown campus on the 1st and 3rd Thursdays of the month from 2pm-4pm. You can get a library card, borrow and return books and DVDs, and get help with library online services. For the month of December, they will park in front of Red Cedar Hall. In January, we hope to host them in the new Tribal Library parking lot.

Speaking of book mobiles... The Tribal Library book delivery services are still on hold while we work hard to get the new library open and fully staffed. We hope to get back on a regular schedule at the first of the year. However, Tribal Elders or citizens/descendants confined to home can always call and request a special delivery. Just call 360-681-4632 or email library@jamestowntribe.org.
